Processing this application, including all personal data contained herein, is necessary for concluding and subsequently fulfilling the parking authorization purchase agreement, thus lawful under Article 6 of the Regulation (EU) 2016/679 (GDPR):

1. If the applicant is a natural person or the person authorized to submit this application, they acknowledge that PMDP Inc., as the data processor, processes personal data to the extent and for the purposes listed below. Personal data processed includes name, surname, date of birth, part of the personal ID number before the slash, Company ID, residential address, registered office or business premises address, phone number, email, and vehicle registration number stated in this application or its attachments. If the applicant is a legal entity, the personal data of the person representing the legal entity will be processed.
2. The applicant acknowledges that PMDP Inc. processes their personal data for the duration of the contractual relationship and for the necessary period to fulfill legal obligations and maintain the legitimate interests of the processor/controller, archiving the data according to legal deadlines. Data processing is lawful, fair, and transparent, with adequate technical and organizational measures in place. Processing is done manually or automatically to assess the application and ensure compliance with rights and obligations arising from it.
3. The applicant confirms with their signature that they have been informed about the processing of their personal data and their rights (especially the right of access, rectification, erasure or restriction of processing, data portability, and the right to lodge a complaint with the Data Protection Authority).
4. The applicant acknowledges that the controller of their personal data is the statutory city of Plzeň, for which PMDP Inc. is a contractual data processor and to which applicant data is transferred. For questions regarding personal data processing, the applicant may contact: Ing. Martin Chval, PMDP Inc., Denisovo nábřeží 12, Plzeň, ZIP: 301 00, e-mail: poverenec@pmdp.cz.
